

University of Tsukuba Special Fellows Name List Academic Year 2012 - 2013

The University of Tsukuba Financial Support Scheme for Special Fellows aims to assist the students enrolled in the Ph.D. Program in Human Biology to plan and conduct their own research in a self-directed and creative manner during the period of their study and lead them to become the global leaders of the future.

The students accepted for the Special Fellows are eligible to receive the Financial Support.

The following seven students enrolled in August have now been successfully accepted for the Special Fellows for the academic year of 2012-2013.
