Contact us: HBP, University of Tsukuba

<http://hbp.tsukuba.ac.jp/en/>

We offer students  
an extensive range of opportunities

Internationalism

Financial support

Travel overseas

Internship

Research

Dormitory

### 2016-2018 Careers for Graduates

Company: ●Kao Corporation ●Novartis

Assistant Professor: ●University of Tsukuba  
●Gifu National University

Postdoctoral researcher:

- Karolinska Institute, Sweden
- Massachusetts Institute of Technology
- Stanford University, USA
- University of Michigan, USA
- Vanderbilt University, USA

筑波大学

University of Tsukuba

Ph.D. Program in Human Biology  
University of Tsukuba

## The Entrance Examination: Venue and Schedule

Application Information:  
Application Period:  
First Screening Result:  
Entrance Examination:  
Entrance Exam Result:  
Admission Date:

April 27, 2018  
**June 14-27, 2018**  
July 19, 2018  
August 28 - 29, 2018  
September 20, 2018  
April 1, 2019

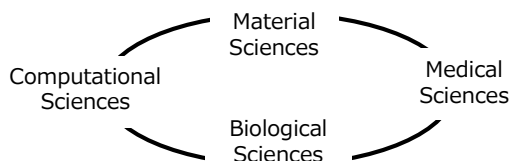

*We welcome applications from young people who have big dreams and high ambitions.*

# Ph.D. Program in Human Biology

We aim to nurture leaders of the future, who will bring together expertise in various fields relating to human biology.

## Special Features

### A truly interdisciplinary degree program

### Overseas and Domestic Training

- Research rotations
- Internship in Companies
- Appropriate technology
- International Discussion on Human Biology

The perfect study environment created through international collaboration between academia, government, and industry

**75**

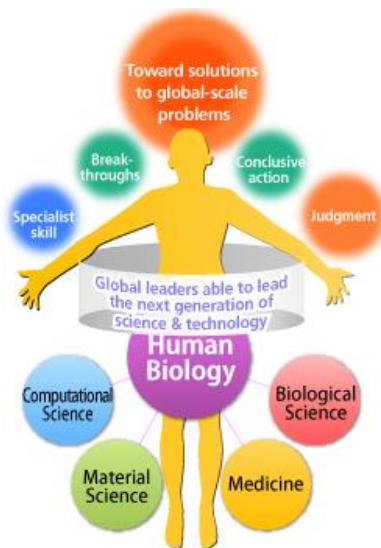

Faculty Members  
From University of  
Tsukuba

**6**

Faculty Members  
from Companies

**32**

Faculty Members  
from Overseas  
University

### An innovative student-evaluation support system –GLiD–

#### Core Capabilities

- Research Techniques Development & Application
- Knowledge Building & Application
- Research Planning and Execution
- Research Question Development & Verification
- Academic Performance

#### Promoting Capabilities

- Global Communication
- Influencing
- Project Management
- Networking
- Exploring

GLiD promotes student's development and supports their learning process.

### 2016-2018 Careers for Graduates

- Company ● Kao Corporation ● Novartis
- Assistant Professor ● University of Tsukuba  
● Gifu National University
- Postdoctoral researcher
- Karolinska Institute, Sweden
  - Massachusetts Institute of Technology
  - Stanford University, USA
  - University of Michigan, USA
  - Vanderbilt University, USA

### Financial Aid to support the tuition and cost of living expense

- Stipend
  - Support for Overseas Activities
  - Tuition discount
  - Housing support
- Please check the latest information.
