

BUSINESS LEADERS' SEMINAR

Career Opportunities: People Management in Quantitative Sciences Area

Wed. October 12
17:00 - 19:00

Room 706, Laboratory of Advanced Research Building

総合研究棟A 706

■ Guest Speaker

Yuko TSUKAMOTO, Ph.D.

Senior Director,
Head of Quantitative Science Division, R&D,
Janssen Pharmaceutical K.K.

Abstract:

I have been working in Quantitative Sciences and its related areas in R&D over 30 years. During the time, I faced some crossroads to consider my career change form Research to Development and from the individual leader to the people leader. Based on my learnings through my experience, I would like to discuss what are expected to be a leader.

This seminar will be held as a part of the class
